Our armorers courses are designed for the Glock and AR-15 owner to perform the proper cleaning and lubrication of their handgun. Also learn to troubleshoot, diagnose and upgrade or replace any worn parts in the handgun.

Our course **IS NOT GLOCK SANCTIONED OR CERTIFIED**
You will not get a certified Glock Armorer certificate from this course.
(But you don't need to be LEO to qualify for this course)

Our 8 hour course exceeds, by far, the materials taught in the actual sanctioned armorers courses for military, dealer, LE
