IDPA 2010 State Championship

Friday, April 30th – Saturday, May 1st at the [Pima Pistol Club](#) range just north of Tucson, Arizona.

The 2010 IDPA state championship is in Tucson for the second year in a row!

The [PPC range](#) is located in the sunny and cool foothills of the Catalina Mountains, adjacent to the Catalina State Park. Only 100 competitors, (including Scott from our store) will have the opportunity to meet the challenge and take home the prize of being one of the best in the southwest!

There will be 12 stages total, 3 of them blind stages, all stages will be - - revolver neutral, the match requires a minimum of 180 rounds and completed in one day!

Where to shoot in Tucson:

New Range being Built in Tucson, Arizona !!!!!

Ok so it's not new, but they did add on a new large section of firing line and a large training classroom building. The new 30 lane shooting range will provide a private 50 foot shooting range independent of the private range on the other side of the wall

Safe of the Month:

Light Weight Fort Knox Safe Options

The guys who deliver the safes want to suggest the light weight safes made by Fort Knox.

Sure the super heavy giant safes are great, but don't forget the little ones, easy to hide in closets and easy to deliver.

*** Remember we do offer to drill and bolt your lightweight safe to the floor for a small additional fee*

Thanks

to all the Students
